\_\_\_\_ Yes! I'd like to give to **The Grrls Fund**.

The Grrls Fund provides girls with the opportunity to participate and experience Reel Grrls programs. Through your generous donation, we are able to maintain and expand our programming by providing more scholarships to girls in need. With your support we can provide leadership opportunities, career development, and long-term impact for low-income girls who would never have thought these doors were open to them.

## Donation Levels

\_\_\_\_ \$25

Help a girl tell her story by enabling us to purchase the tape stock needed for one Reel Grrl Director.

\_\_\_\_ \$50

Give a girl a voice by enabling us to purchase sound equipment and ensuring that our grrls' voices are heard.

\_\_\_\_ \$75

Give a girl a gift of an adult mentor. Reel Grrls could not function without our invaluable adult mentors. This gift allows us to give stipends to those who help make our program special and invaluable to our grrls.

\_\_\_\_ \$100

Give an opportunity to a low-income girl by funding her experience at the Reel Grrls fall intensive weekend.

\_\_\_\_ \$250

Give the gift of access to technology. Without the technology, the grrls don't have the means to tell their stories. This gift purchases additional technology for the grrls' projects.

\_\_\_\_ \$500

Send a low-income girl to our intensive Spring Program. This gift subsidizes a girl and affords her the opportunity to have a voice, tell her story and make media that matters.

\_\_\_\_ \$2000

Send four girls to our intensive Spring program. This gift covers the full cost of giving a girl the knowledge, courage and tools to tell stories and influence the world she inhabits.
